

Introduction

Thank you for your interest in applying for a Barbasol Foundation grant. The Barbasol Foundation is dedicated to sharing the resources of the company to improve our community. While we support a diverse range of non-profit organizations, our philanthropic efforts are focused on community projects and programs across the following areas:

- Children and education
- Art and music
- Medical research
- Community food banks and nutrition

Grants typically range between \$1,000 - \$10,000. In limited cases, we may make larger grants to organizations we have partnered with for several years. We do not fund multi-year grants, though organizations are welcome to apply once per calendar year.

The Barbasol Foundation prioritizes funding grants for a specific project, program, or purchase. Examples of previously funded grant requests include funding to purchase furniture, mattresses, and bedding for a children's shelter, funding for a back to school clothing drive, funds to support a healthy school lunch program, and funding for a youth grief support group.
